Grand,

Congratulations for all the recognition and awards that you have received over the past two years. I know of no one more deserving than you. It has been a pleasure these three years, and I'm looking forward to an even more successful year next year. I have an admiration for you not only as an athlete, but as a student, leader, and a person of fine character. Always seek the best and be satisfied with nothing less. My very best wishes go with you.

Love,

# DEDICATION

## Mrs. Wynona Butner

Faithful service, an energetic spirit, and a genuine interest in all students have made her a favorite among the high-school instructors. By setting high standards for herself and the students with which she has come in contact, she has promoted among her associates a sincere regard for high principles.

For all of this, the Class of 1956 respectfully dedicates this edition of our yearbook to a true friend and teacher, Mrs. Wynona Butner.

Best Wishes  
Wynona Butler

# CLASS POEM

"Come let us one and all our voices raise  
To Clemmons School in loyalty and praise--"

This phrase will ne'er be forgotten  
By the Class of '56;  
We acknowledge your forbearance  
And into our hearts we place  
A deep regard for those momentous years  
And the memories we embrace.  
In the primary school we linger  
And think what imps we've been  
And wonder why we were so dear--  
To those patient teachers then.  
We'll wonder if the kids still sing  
The simple songs we did.  
We'll wonder if they'll ever find  
The places where we hid.  
Our thoughts will go back to the dirtpile,  
The swings, the marbles, and the slingshot,  
And wonder how we lived through  
That bloody nose we got!  
Then our thoughts will amble on  
To those books of "Tom and Muff,"  
To the girls in frilly dresses  
And the boys who were so tough.  
In games we competed with the older kids,  
But, of course, they always won.  
So we decided to just be brats  
And have a little fun!  
The girls no longer wore pigtails,  
Or skirts above their knees.  
The boys abandoned their knickers  
And the girls soon learned to tease.  
Then before we realized  
That cherished moment was there  
When we became high-school freshmen  
With new pledges, dreams, and cares.  
Oh just think of the fun we had  
At those half-grown up parties,  
And don't forget the games we played  
Oh weren't we little smarties!!!  
Next we progressed to the tenth grade  
Boy, we were the stuff---  
But when the curfew hour began to toll  
We still hurried home in a huff.  
The next year we were juniors  
And, indeed, we were proud of this.  
Slowly some tranquil change took place  
And our hearts would often reminisce.  
We became more independent  
We began to look ahead  
We realized the importance of each moment  
And, oh, how those moments fled.  
And now we're full-fledged seniors,  
We've travelled quite a long way  
From little kids who ran and played  
To this somber, yet joyous day.  
We're still really quite youthful  
We have our future in store  
And longingly as the years go by  
We'll look back more and more.  
And Clemmons School we'll ever praise  
For twelve years of happy, useful days.

SHIRLEY HOLTON

## MOMENTS TO REMEMBER

To Clemmons High we bid farewell

Our departure brings the tears that tell

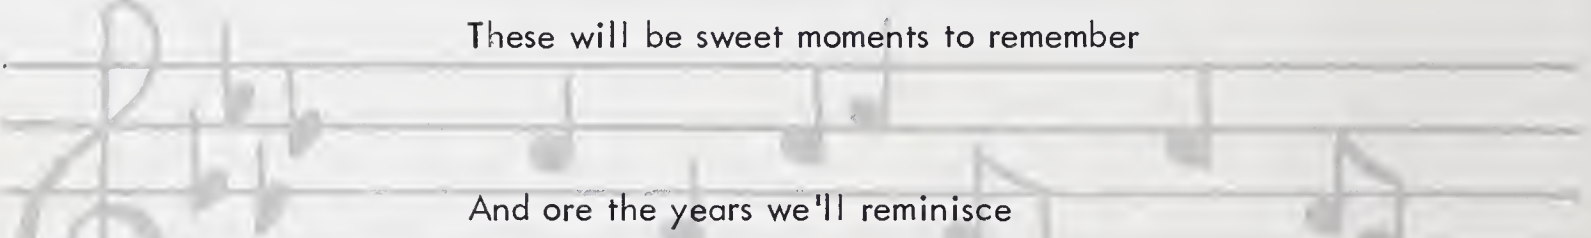

We will have these moments to remember.

And when we've gone our separate way

We'll think of you both night and day

These will be sweet moments to remember

And ore the years we'll reminisce

Of the faculty with tenderness

Oh, twill be such moments to remember

When sadness turns to laughter

and the present disappears

The memories of Clemmons High

will echo through the years.

We realize as time grows nigh

We'll remember Clemmons with a sigh

and all its moments to remember.

## CLASS PROPHECY

It's a sweltering hot day in July 1966, the place, the fabulous Tanglewood Resort. The class of 1956 are gathering for their first reunion. As the guests begin arriving, we see the manager, Parke Davis, hurrying forward to greet and help settle everyone.

One of the bellboys, Bill Harless, in a jaunty red cap, rushes to get the luggage of Rebecca Pickett and Ruth Green, two very successful teachers at the Clemmons Academy.

A flashy convertible comes swerving down the drive and out bounds Jim Higgins, a famed lawyer from New York.

Wait, that face looks very familiar, why it's none other than witty Emily Sparks. Emily is now one of the best bus drivers the Greyhound Bus, Inc., has ever had.

Wandering through the beautiful gardens, we find Jack Jones working diligently at a new picture. He is the famous Jacque Jones, internationally-known artist.

Betty Angel and Ann Phelps join us dressed very elegantly in their own department store's products.

Over by the spacious hotel's garage, we hear George Wilson and Tom McClamrock pointing out the amazing features of their newly created "WIL-ROCK" car. The would-be buyer is the celebrated songstress, Carolyn Bodsford. She is one of the Juke Box favorites, recording on the CHS label.

Down near the golf course, a game of "pitch" is in session. Tossing some neat curves, and fast baseballs are Jim Fant and Tommy Mahannah, two professional players for the Dodgers. On the sidelines is one of their faithful fans, Barbara Craver, now a famous clarinet player with the Clemmons Symphony Orchestra.

Refusing to admit defeat from the world's champion golf player is Sam Marshall, the dynamic Senator. The champion, Elizabeth Bodford, is off to London tomorrow to defend her title.

Strolling by the glamorously-shaped swimming pool, we can see several of our alumnae enjoying the sun and water. Now the chief lifeguard, Margaret Cornwell, sits dozing in the sunshine. The ever popular disc jockey Thomas Tate appears to be deep in conversation with Gerald Sheets, the new horse-back riding instructor at this magnificent resort.

Back in the cool stylish dining room, having a delightful lunch, we see other of our classmates. Shirley Holton, who is proprietress of the Tanglewood Luncheon Club, looks languishly over her guests for the evening. The house detective, looking very reserved enters, who else but James Hutchins. Another of the employees, Jeanette Lineback comes in looking very attractive in her nurse's uniform.

Straight from Wall Street we see Roger Powell, the widely-known broker entering. With him is Jackie Smothers, now the secretary at Clemmons Academy.

Looking very dignified is Doctor Jack Reed. We understand his practice is really thriving these days.

A couple of celebrities appear, these being Grace Myers, the great novelist, now working on a new idea, and Joe Cumby, the newest bobbysox rage from Hollywood.

Seated at a nearby table we hear Dianne Bingham and Jesse Parks discussing their prosperous partnership in the Clemmons Lumber Mills, Inc.

Joining us now is Gaye Brewer, dressed exclusively in Paris originals, and who by the way is living in France working as a French translator.

Kenneth Harp strolls in. He is proud owner and operator of a local dancing school.

Covering this gala event for the Clemmons Daily News is Ann Carol Ellis.

Here comes a late comer, Richard Canter, who was recently voted "father of the year."

Each member of the class of '56 has come quite a long way in these ten years. Tomorrow each will go back to their different positions in the world, with best wishes for success and happiness for each other. In another ten years the class will meet again. We hope the place will be as beautiful and luxurious as this Tanglewood Resort.

Jean,  
It's hard for me to express to a friend such as  
you all I'd like too. You have, really been  
one of my very best and true friends & class-  
mates. I only hope we'll stay as we are now!  
I'm going to miss being with you this summer,  
but I'm really looking forward to next year.  
So a girl like you nothing but happiness and  
success could be your reward in your future  
years. Just remain as sweet and understanding  
because I feel that you are the only girl  
I can come to with my troubles & problems.  
I only hope I won't have too many in the  
future. Roger and I get along wonderful  
together. I'm going to miss him like every-  
thing these next two years while he's away.  
But with a friend as you are to me maybe  
it won't be too bad.

Please be sweet & don't forget me this  
summer & do write me! When I come  
home I'll be down to see you.

Love always,  
Janet
